

Avengers: Time Runs Out Volume 3

For Earth's Mightiest Heroes and the Illuminati, it has all been building to this. After two years of carefully crafting his cataclysmic saga, writer Jonathan Hickman jumps ahead eight months to the grand finale, the honest-to-goodness immediate future of the Marvel Universe...and the day of the Final IncurSION! After the revelation of the Illuminati's desperate, world-destroying actions, the Avengers are fragmented! What has become of Earth's Mightiest Heroes over the past eight months? What will happen when the Avengers, Illuminati and Cabal clash? And have all the battles they've endured, and the sacrifices they've made, prepared either group for the inevitable moment where time runs out for everybody? The third act of the astonishing climax to Jonathan Hickman's legendary run is here! COLLECTING: Avengers 40-42, New Avengers 29-30
