

## Prom Night Gangbang

High school cheerleader uber-slut Annie MacNabb accepts a date to the Senior Prom, but on one condition. He had to prove that he can screw her like a stallion. He does. She also has to play her bigot father who will go ape when she finds out her date is black! Then her date arranges for not only him, but some of his football player buddies to give her a prom night she won't forget. Mature audiences only. 18+. Explicit and graphic sex, adult language.
