

Carl and Karin Larsson : Creators of Swedish Style

Carl Larsson (1853-1919), Sweden's best-loved artist, and his wife, Karin, a textile designer, revolutionized interior design in their native country and established a style that continues to attract a worldwide following. Combining period furniture and objects with modern color and design, their home was meticulously recorded by Carl in a series of beautiful water-colors that celebrated their idyllic family life. This is the first comprehensive book ever written in the English language about the couple and their long-lasting influence.
