

Claudine At School (Vintage Classics)

Claudine is a head strong, clever and extremely mischievous schoolgirl. Along with her friends the lanky Anais, the cheerful Marie and the prim Joubert twins Claudine wreaks havoc on her small school. Always clever, witty and charming Claudine is more than a match for her formidable headmistress as they fight for the attention of the pretty assistant Aimee. The horrors of examinations and good-humoured bullying are the backdrops in this immensely funny and delightful novel with which Colette established the captivating character of Claudine. Through the games, the fun and the intricacies of school life Claudine emerges as a true original; lyrical and intelligent she is one of the twentieth centurys most beguiling emancipated women
