

My Name Is Legion

The Daily Legion is a tabloid that peddles celebrity gossip and denounces asylum seekers. However, its financial survival depends on the support of a brutal African government. Recklessly defending this corrupt dictatorship, the newspaper faces off against Father Vivyan Chell, an Anglican monk and missionary who is working to overthrow the corrupt regime. My Name Is Legion is a savage satire on the morality of contemporary Britain - its Press, its politics, its Church, its rich, its underclass. Wilson's London is a bleak, if occasionally hilarious, place: murderous, lustful, money-obsessed and haunted by strange gods.
