

Avengers: The Legacy of Thanos

When Monica Rambeau, the new Captain Marvel, takes a visit to Thanos abandoned starship, she ends up the unwitting -- and unwilling -- guest of space pirate Nebula...who plans to conquer the Skrull Galaxy, and who just might be the granddaughter of Thanos himself! If Caps teammates back on Earth can topple the towering Terminus in the Savage Land, theyll be drawn into Nebulas interstellar conflict...but this time, the Avengers will fight on the side of the Skrulls! Get ready for a cosmic classic as the flame-haired Firelord and the all-mighty Beyonder enter the fray. And its a small universe when the Fantastic Four appear -- but can even two teams of heroes prevent the biggest shakeup in Skrull history? COLLECTING: Avengers (1963) #255-261, Avengers Annual #14, and Fantastic Four Annual #19; written by Roger Stern and John Byrne; art by John Buscema, Tom Palmer, John Byrne, Kyle Baker, and Joe Sinnott.
