

InDesign Books - ePub, Mobi, PDF

This book is a do-it-yourself guide for those who want to create books with InDesign CS5 for online publishers, featuring over 400 screen prints to walk you through the process of creating and editing content with InDesign. There is a focus on features that work equally well in print (PDF), EPUB and MOBI formats. There are 230 pages alone of examples of InDesign features such as pages, text frames and styles, as well as tasks such as importing text from the clipboard or Microsoft Word. There are no files to download; instead you build everything from the ground up giving you confidence to immediately begin working with InDesign. The majority of the 51 examples are all-inclusive so that you can jump to the chapter you're interested in and immediately complete those examples. Throughout the book references and links to related topics weave the material together to provide a solid foundation, and the 16 page index is a quick reference that includes InDesign terms, as well as the layman's equivalent for example type vs. text. The InDesign book panel is a powerful tool to organize and work with documents, but a regular InDesign document is all you need to export to PDF, EPUB or MOBI. The choice is yours a basic document or a more complex one with a table of contents or index. The focus is entirely on InDesign components used in creating books including pages and frames, styles, images, hyperlinks, a table of contents, the InDesign book panel and indexes. Your InDesign files can be exported to PDF, ePUB or MOBI formats which are accepted by these publishers: Amazon Kindle (MOBI) Amazon Createspace (Print) Barnes & Noble pubit! Apple iBookstore Google Books kobo Writing Life The last chapter provides specific requirements for each publisher and outlines the process of creating a publishing account, submitting books, and

of course monitoring your sales. Download High Definition images and project files from <http://inspireandexplore.com/7/>
