Drawing Box Set The Complete Guide To Drawing Shapes, Portraits, Pencil Drawing, Sketching And How To Draw Cool Stuff! + A Simple And Easy Step-by-Step Guide To Learning How To Draw In 7 Days Or Less

Book 1: Art has various types and mediums, all of which strive to observe and express the unseen. Drawing is one major category of art which has been used since ages. It is considered to be a primary category of fine arts which links different other mediums and categories. In this book I have discussed all those major techniques and tricks of drawings which are frequently used in almost all mediums and categories. So whatever the medium of interest you pursue in the art of drawing, this book can serve as a help for you.

Book 2: This book combines practical techniques with ideas and information about the world of art as it is applied in the Internet age. It can be used by new artists who are just beginning to try out their ideas and by more experienced artists who would like a refresher.

Book 3: You want to be an artist. Or, at least, become proficient in the most common type of art: illustration. By picking up this book, youve already demonstrated your ambition to learn and, therefore, your ability to perfect this skill. Whether youre a true beginner (like this book was designed for) or you simply need a bit of direction to further your skills, the Drawing For Beginners - A Simple And Easy Step-by-Step Guide To Learning How To Draw In 7 Days Or Less For The Absolute Beginners will offer you all the aide and instruction youll need.
