

A Vacationers Guide to Rural New England Bookstores

Book lovers planning a vacation in New England now have a Guide to finding the best independent and used books shops near their favorite destinations. The Guide makes it easy to find a local book shop for a memento of your trip or something for a lazy beach-day or rainy-day read. And for the book collector, the used, rare and antiquarian book shops are listed with descriptions of their specialties. The Guide is divided into three sections: Full-Service Independent Bookstores, Used-Rare Book Shops, and One-Day Bookstore-Tours, which are Author Richard Wright's solution for an alternate plan on a rainy day. Even local readers will be delighted to learn about bookstores that are nearby and as yet undiscovered.
