

## For 91 Days in Macedonia

For 91 Days in Macedonia is collection of stories, photography and advice from three months spent in one of Europes least-discovered countries. Mike and Jurgen are travelers who spend 91 days in various locations around the world, capturing the history, lifestyle and culture of their temporary homes. With the enthusiasm of newcomers, they spent three months exploring the Republic of Macedonia, leaving no stone unturned, from the capital of Skopje to beautiful Lake Ohrid... and everything in between. Packed with information about the food, towns, nature, history and culture of Macedonia, this e-book follows Mike and Jurgen as they embark on hikes, visit small-town wineries, and meet some of the most hospitable people theyve ever encountered. The story is fleshed out by historical anecdotes, observations on Macedonias diverse ethnic tapestry, and practical advice for visiting the country. The book contains over 250 professional full-color photos, along with indexes organized alphabetically and by category. For 91 Days in Macedonia isnt a traditional guidebook, but an impartial and colorful account of three months spent in this unforgettable country. Whether youre planning a trip of your own, or simply curious, Mike and Jurgens experiences will help to enrich your own.
