

The Kiss Album Focus, Fourth Edition, Volume II: Hell or High Water 1983 - 1996

Originally debuting as a feature on the KISS Asylum website the KISS Album Focus work was compiled into book format and privately published in two editions in 2002. Delving into the history of the Hottest Band In The Land, the work seeks to provide an objective biography supported by comments band members have made during the past 35+ years. Since initial publication the work has grown so large it has had to be split into three volumes. The work has been reviewed in numerous magazines and fanzines, and some sections of the work have been translated into Spanish and Russian.
