

Incredible Hulk Visionaries - John Byrne

When the Hulk came back from the Crossroads, John Byrne was waiting for him - complementing his popular X-Men and FF runs by literally breaking the Green Goliath in two! After the Hulk and Bruce Banner are separated, the Jade Giant becomes the Earth's emerald enemy - outfighting Iron Man, Wonder Man, Sub-Mariner, Hercules and Doc Samson! Could the one to succeed where these powerhouses failed be...Bruce Banner himself?! Plus: the wedding of Bruce Banner and Betty Ross! The new Hulkbusters! And the sinister Scourge! Collects Incredible Hulk #314-319 & Annual #14, plus Marvel Fanfare #29.
