

Bornholm Island (Denmark) 1:45,000 Recreation Map PLAN

Bornholm Island (Denmark) 1:45,000 Recreation Map PLAN Very detailed topographic recreation map of Bornholm at 1:45,000 (1 inch = 0.710 mile), suitable for both hiking and cycling. Contours and colouring for wooded areas, built-up areas, industrial zones and original coastal vegetation. The map shows all roads, as well as farm and forest tracks. Marked cycling paths are indicated. Map legend is in Danish, German and Polish. Reverse side provides a guide to points of interest in Polish only. It includes many pictures with small locality maps that are understandable to international map users as well. Bornholm is a Danish island in the Baltic Sea. Its topography consists of dramatic rock formations in the north, sloping down towards pine and deciduous forests and farmland in the middle and sandy beaches in the south.
