

## Garageband 09: A Practical Step-by-Step Training DVD for Creating Professional Recordings (Alfreds Pro-Audio Series)

This in-depth, step-by-step video shows you how to produce amazing recordings from start to finish with GarageBand 09. Open up a new project, set up your audio interface, create audio and virtual-instrument tracks, and record each part until your song is finished and ready for final mixdown. Learn everything about the virtual instruments, guitar amp modelers, and musical loops, and maximize all the effects and signal processor plug-ins included with the program. GarageBand 09 is ideal for songwriters, musicians, and bands of all levels---from hobbyists to professionals. Once you learn to take control of GarageBand, you'll find out why millions of people use it for audio production, songwriting, podcasting, soundtracks, and more.
