

Fisher Cat and other stories (A Long Way from Disney Book 2)

Fisher Cat and other stories goes beyond the boundaries of adolescence and into the seeds of modern-day manhood in America.

From learning to capture the troublesome animal in the Dumpster, to dealing with the events of 9/11, confronting birth, babies, marriage and beyond, these stories take readers on a tour of the human heart--its foibles, failings and frangible pieces--from the streets of Pamplona, Spain, to New York City, Boston and points in between.
