

The Mallen Litter (The Mallen Trilogy Book 3)

The Mallen Litter is the third and final part of the multi-generation story of the Mallens, which began with The Mallen Streak and continued with The Mallen Girl.

From generation to generation bad luck and misfortune had befallen each and every member of the Mallen family. Passed from son to son, each had been cursed with a dramatic white streak in their jet black hair. It seemed as though the ghost of old Thomas Mallen himself lived on in his unfortunate descendants. Barbara had no visible streak to identify her as a Mallen but she spent her life trying to forget her parentage. When her triplets the Mallen litter were born, there in one of her sons was the unmistakable sign of the Mallen streak. How long would she have to wait to see if history would repeat itself?
