

Saturdays in Sapporo (The Casebook of Irving & Innocence 3)

Irving Burns is an old Japan hand. Innocence Blake is a more recent arrival. In the final book of this trilogy, Innocence plows through a snowy winter on Japans scenic northern island of Hokkaido, meets Irvings wife Keiko, uncovers Irvings past and discovers the secret ingredient in the perfect bento box lunch. Irving and Innocence travel from The Bluff in Yokohama to the top of Mt. Fuji in Thursdays in Yokohama (Book One, Year One). In Fridays in Kamakura (Book Two, Year Two), they visit the gardens of Kamakuras famed Zen temples. Through it all, an amazing friendship is forged. All three books also are available in a bargain boxed set (The Casebook of Irving and Innocence: The Complete Trilogy) for \$4.99.
