

Maria Rodales Organic Gardening Secrets: Summer

Maria Rodale shares her organic gardening secrets in this four-volume ebook series. These season-by-season guides offer straight-forward, easy-to-follow gardening basics so that anyone can enjoy a beautiful, productive, organic garden. The first original ebook, Spring, explains how to prepare for and plan your garden in order to ensure a bountiful four-season vegetable harvest. Spring-specific techniques and how-tos include: How to start your own seeds, The secret ingredients of healthy soil, How to build a raised bed, 9 flowers that control insects, How to start a compost pile in 4 easy steps, Detailed Spring Planning Calendar
