

Marvel Masterworks: The Sub-Mariner Vol. 7 (Marvel Masterworks: Sub-Mariner)

If ever there was a collection worthy of the title Marvel Masterworks, Bill Everetts seminal 70s return to the Sub-Mariner, the character he made a legend, is it! Beginning with Sub-Mariner #50, Everett began a run as writer/artist that rivaled the greatest work of his career. His luxuriant artwork and signature anarchic take on Sub-Mariner made every page an action-packed classic. Villains from Subbys past like Prince Byrrah set the stage, while the debut of Namorita and a new fi re-vs.-water nemesis, Sunfi re, ratchet up the drama. COLLECTING: SUB-MARINER (1968) 50-60
