

Jotty Journals: Priorities: The Big Picture and the Small Shit

This set of two blank journals is sure to inspire a double take; one journal cover is titled The Big Picture and the other is titled The Small Shit. Printed with bold typography on craft-paper covers, these pocket-sized journals are quite witty, a little gritty, and will appeal to people who appreciate stationery with a point of view. Jotty Journals: Priorities is one title in a series of four journal sets that are designed to be displayed together. It doesn't matter if your to-do list is addressing The Big Picture or The Small Shit; both lined journals are completely blank, highly portable, and can be used for any purpose. The other titles in this series are Jotty Journals: Reminders, Jotty Journals: Resolutions, and Jotty Journals: Wisdom.
