

Frank Gehry

A biography of Frank Gehry. Frank Owen Gehry, CC (born Frank Owen Goldberg; February 28, 1929) is a Canadian American Pritzker Prize-winning architect based in Los Angeles, California. His buildings, including his private residence, have become tourist attractions. His works are often cited as being among the most important works of contemporary architecture in the 2010 World Architecture Survey, which led Vanity Fair to label him as the most important architect of our age.
