

## Author Law A To Z: A Desktop Guide to Writers Rights and Responsibilities (Capital Ideas)

From authors to editors, literary agents to journalists, anyone who works with words confronts an astonishing variety of legal puzzles and perils. This easy-to-use guide to writers rights and responsibilities will help users navigate this legal maze and work more profitably. Part legal dictionary, part publishing encyclopedia and chock-full of helpful how-to advice, Author Law A to Z addresses key concepts in the publishing field. Styled as a series of alphabetical entries, this reference book makes it easy for readers to locate answers to specific questions, get help with a particular problem, or simply browse an array of fascinating entries for greater professional knowledge. Topics include all the major legal issues related to the business of writing and publishing. Entries are extensively cross-referenced for maximum usefulness and most are supplemented with charts, checklists, sidebars, boxes, tips, profiles, case summaries, sample letters, contracts, forms, and other illustrative material.
