

## Stumptown Volume 2

From Eisner Award-winning writer Greg Rucka and acclaimed artist Matthew Southworth comes a new Stumptown mystery! Dex Parios has finally opened her own office, and her first case is to find rock star Mim Braccas baby her prized guitar which disappeared after her band Tailhooks Portland show. Mim has no leads, and she doesnt want to go to the police, but Dex needs the case, and besides, it shouldnt be that hard to find a missing guitar. As long as the D.E.A. doesnt get involved ... or the Skinheads.
