Modern Law EnforcementThe face of modern law enforcement is changing. The best cop with a maple night stick and Model 10 revolver has been replaced by partners in police cruisers carrying pepper spray, Tasers and polymer-framed pistols. Author Patrick Sweeney shows you the tools modern police agencies are using and how they are employed. From rifles, shotguns and pistols to the latest in flashlights and handcuff cases, Sweeney walks you through the latest gear and tactics employed by American law enforcement officers.
