

Leading Teens to Freedom in Christ: A Guide to Connecting Youth to God Through Discipleship Counseling

Many teens today are stuck in the less mess: they feel hopeless, helpless, useless and worthless. And its too easy to say, If you just change your behavior, then you will be happy. True freedom--lasting, deep, fulfilling--can only be found when we realize and appropriate our freedom in Christ. Neil Anderson and Rich Miller provide a plan for helping teens discover their true freedom in Christ. Leading Teens to Freedom in Christ provides a blueprint for counseling young people ages 13-21 to help them climb out of the less mess. The first half of the book describes the world of teenagers and how to approach them with discipleship counseling, a model rooted in the truth of who we are in Christ. Part Two shows how to lead a teen through each of the seven steps to freedom.
