About the Harvard Journal of Law & Public Policy: The Harvard Journal of Law & Public Policy is one of the most widely circulated student-edited law reviews and the nation's leading forum for conservative and libertarian legal scholarship. The Journal is published three times annually by the Harvard Society for Law & Public Policy, Inc., an organization of Harvard Law School students. The late Stephen Eberhard and former Senator and Secretary of Energy E. Spencer Abraham founded the journal in 1978 and many journal alumni have risen to prominent legal positions in the government and at the nation's top law firms.
