

NIGHT WHISPERS (Harlequin comics)

Kelseys had a crush on Mitch for as long as she can remember. And he still treats her like a kid sister, even though her sexy voice has earned her a spot on a popular radio show! When he looks at her, she can see the lust flash through his eyes every now and then. She knows what he wants, and she's old enough now to respond in kind. Frustrated, she decides to use every technique at her disposal to tantalize him and she'll start with a hot, steamy kiss! Mitch needs to be shown what Kelsey wants.
