

## 501 Collectible Horses: A Handbook and Price Guide (Schiffer Book for Collectors)

The image of the horse is so popular and appears in so many forms, that there are literally millions of fascinating equine collectibles to seek out, accumulate, and admire. Collecting them is a passion for thousands of people, and this wonderful new book will serve them well. With over 500 examples, it covers major toy manufacturers like Breyer, Hartland Plastics, Hagen Renaker, Marx, Hasbro, My Little Pony, and North Lights, plus a wide range of horse collectibles in a variety of materials and forms, gathered from around the world. Horse collecting is a hobby suited to any budget. Its not hard to find horses to buy, and many of them are priced very reasonably, even in antique shops. With the wonderful colour photographs and its current price guide, this book will be a welcome addition.
