

## The Boss's Marriage Arrangement (Harlequin comics)

Harry decides to change jobs after being recommended by her best friend, Ben. At her new job she falls in love with the president, Matthew, at first sight. He is a very attractive man and an established architect. However, Bens girlfriend, Cindy, is suspicious of Ben and Harrys relationship since they are so close. Their coworkers become sympathetic to Cindy and insult Harry behind her back. Matthew realizes that their relationship is negatively affecting the company and tells Harry: In order to eliminate suspicion in the company, youre going to tell everyone that you are crazy about me. If she refuses, Matthew will fire her!
