

## Avengers (1963-1996) #237

After a hard afternoon of battling the Lava Men, the Avengers would like nothing better than to head home for a little rest-&-relaxation. But first they have to keep Electro, Blackout, Moonstone, and Rhino from turning Project Pegasus into a radioactive hole in the ground. And what about Spider-Man's bid for membership? Don't miss the explosive conclusion: Meltdowns and Mayhem!
