Germany, Austria, Czech Republic Tripoint: Bavarian Forest / Sumava 1:50,000 Cycling Map, GPS-compatible, 2012 edition SHOCART One of Europe's best holiday areas on this pocket-format, double-sided cycling / hiking map at an exceptionally detailed scale of 1:50,000 (1 inch = 0.79 miles). It covers territory along Bavarian / Austrian and Czech borders along the upper Moldau River, including the Lipno water reservoir. Most of it is in national parks on both sides of the border. Since the removal of the border check points, the area is very easy to travel. The map comes with a protective plastic pouch. Multilingual map legend includes English. Detailed mapping, based on the country's topographic survey, has contours at 10m intervals enhanced by relief shading and spot heights, plus graphics and colouring to show various types of terrain, vegetation or land use, e.g. rock formations, swamps and bogs, orchards and vineyards, etc. National parks and other protected areas are highlighted, it has a 1km UTM WGS84 grid. Road network is presented in great detail, including local dirt roads and cart tracks, with locations of petrol stations and, where necessary, parking facilities. Railways are shown with stations. A very extensive range of symbols highlight a wide range of facilities and places of interest: various types of accommodation, campsites, sport and recreational facilities, notable examples of folk architecture or history, etc.
