

Modern Rock Drum Beats and Loops (Sound Library)

(Sound Library Series). Great for amateur recording musicians as well as professional recording studios, this pack includes all of the building blocks necessary for composing and recording a complete drum part in a variety of styles. 101 basic beats are featured, plus hundreds of variations, such as intros, fills, accents, endings and a complete set of one-shots on CD-ROM. Files are in standard .wav format for use with any looping program, including Sonic Foundry's ACID and Fruity Loops. As a bonus, packs also include an audio CD with 99 tracks for demo and play-along, and a book with standard notation.
