

Potty Training. Tracy Hogg with Melinda Blau

Although new parents are most worried about sleep issues, their anxiety seems to reach new heights when they even think about that important milestone: potty training. When should you potty train? How do you potty train? What if we start too early? What if we start too late? The questions are endless. Thankfully help is at hand with Tracy Hoggs reassuring, down-to-earth parenting advice. Her practical potty training programme will help you overcome your fears and includes essential information, including: - What youll need to get started - How to prepare - Getting your child into a training routine - What to do if your little one isnt ready. With handy tips and a trouble-shooting section, this potty training guide is a lifesaver for any busy parent.
