

THE SAVAKIS MISTRESS (Harlequin comics)

Callie was forced into an arranged marriage with a much older man when she was nineteen, but was finally freed from this loveless union after her husband's death. Now, she's returned to Greece, where she meets a mysterious, dark stranger with whom she shares the most passionate experience of her life. While Callie tries to repair the wounds in her heart, her uncle schemes to marry off his daughter in a new arranged marriage. Callie is shocked when she learns that the man her cousin is set to marry is none other than her partner in passion, Damon...!
