Tamra Jones, a recently separated and lonely North Dallas housewife, is mesmerized when she catches a glimpse of a muscular black man moving things into the vacant house next door. She quickly realizes that the man is not a moving company employee, but is Rodney Granville, the man who is about to be her neighbor next door. She decides to strike up an acquaintance. One thing leads to another, and chemistry forms between Tamra and Rodney, her new muscular black Adonis. See what happens with Tamra, Rodney, and her ex-husband by reading Bred By My Black Neighbor.
