

# The Complete Idiots Guide to Numerology

You're no idiot, of course. You've heard that important events happen in 3s, 7 is a lucky number, and even the least superstitious among us would think twice about living on the 13th floor of a building. But when it comes to knowing what numbers can tell you about your future, well...you just don't get how it all adds up. Your numbers not up yet! The Complete Idiots Guide to Numerology shows you how to use numbers to glimpse into the future. In this Complete Idiots Guide, you get:
