

Gene, Ace, Peter & Paul: A detailed exploration of the 1978 KISS solo albums

This work represents the culmination of a massive effort made to celebrate the then 35th anniversary of the 1978 KISS solo albums in 2013. As a detailed exploration of those solo album releases the KissFAQ website endeavored to delve into the depths of minutiae interviewing those musicians and supporting cast of characters directly involved in the four simultaneous projects.

There is only one way to conclude any introduction to this work... To: Paul, Peter, Ace, & Gene
