

Misplaced Loyalties (History of Ideas Series)

Originally published in 1989 as Appointment in Vienna, Esther Menakers Misplaced Loyalties is a fascinating memoir covering five years of student life in Vienna during the early years of the psychoanalytic movement started by Sigmund Freud. It begins in 1930, when, full of high expectations, the author and her husband left their native America and eagerly embarked on an exhilarating journey that would take them to Austria, where they were to become candidates at the Psychoanalytic Institute.
