

# Palaces And Courts Of The Exposition: A Handbook Of The Architecture, Sculpture And Mural Paintings With Special Reference To The Symbolism (1915)

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the worlds literature in affordable, high quality, modern editions that are true to the original work.
