

Confessions of a Sorority Girl: Drakes Double Delight

Texas Sorority Girl and College Cheerleader Natalia Dargue tells this autobiographical tale of a wild threesome she had with her black basketball fuck buddy, Drake. Discovering that he was interested in a threesome, she enlists the aid of a fellow cheerleader. Her petite, black female friend Takola helps her out and give Drake his first threesome of his life and what is indeed Drakes Double Delight. Excerpt from Confessions of a Sorority Girl: Drakes Double Delight

I met Takola for lunch the next day at an old standby restaurant in town, just a couple of miles from the college. The restaurant was an odd mix. It had a menu with lots of things cheap enough for poor college students, and the food was good too. It also had a large section of booths, and each booth was enclosed with wooden walls. It was dimly lit, mostly by candlelight. It was a restaurant famous for its romantic atmosphere, but I chose it because the booths would allow us to have a VERY private conversation with having to worry about being overheard. We asked for a booth and slid into our seats. After our drink order was taken, Takola smiled wide, exposing her absolutely perfect straight, pearl-white teeth. She excitedly said, OK woman! Spill it! Dont leave a single detail out! I told her about the whole situation with the Alphas, even including the details about their flagrant racist remarks in our closed meeting. This, of course violated our rules on secrecy, but I didnt give a shit. What are they going to do? Kick me out of a sorority that I had begun to despise most of the members for their hypocrisy? Oh gee. Hurt me! I related the story about how we sent a delegation to welcome the Omegas to the neighborhood, and got an invitation to their party that weekend. Takola interrupted with a fake yawn, and said, Youre putting me to sleep! Will you just get to the good stuff? I giggled, and told her she really could be an

impatient little pain in the ass I then launched into a graphic telling of the first night I spent with Drake. About his magnificent body, with his muscular swimmers build. Of his enormous nine-inch plus cock, and his incredible skill in using it. About every position he twisted me into. How he fucked me long and hard with his incredible stamina. How it felt when he shot those huge loads of cum deep inside of me. How he made me come and come and come and come. Well, you get the point! She listened spell-bound to my tale. When I finally came up for air, she asked, How come I always find out about the good ones after they get hooked up with someone? I answered, Well Takola, you are my best friend on the cheerleading squad. What does that have to do with anything? she asked. I answered simply, Because I would share anything with my best friend in the world. Takola's dazzling amber eyes opened wide, and her mouth gaped open as her jaw dropped slightly. Girlfriend, do you mean to tell me that you would let me take a shot at that gorgeous hunk of man, and not be mad? After how amazing you made him sound? Takola asked. Well, yeah, sort of, I replied. Sort of? Yeah, I have a few conditions, I retorted. Such as? Im going to be there when you do it, for one, I said with a straight face. I saw Takola gulp as she took this in. Then she said, Anything else? It would really turn me on to watch while Drake gives you a really good fucking, then I added, and then well do him together. At this point in the conversation, our waitress arrived with our order. Mercifully, it gave Takola a chance to digest what I had told her, and what I was asking of her. After the waitress left, she looked into my eyes with those almost hypnotic amber eyes of hers, and said, I only have one question. Whats that? I asked. Her one word response was exactly what I hoped to hear. When?
