

## Artists Handbook

A stunningly illustrated, project-based book on drawing and painting for the beginner. Divided into three sections: drawing, watercolour, and oil painting, it includes more than 30 original projects for you to try, such as a vase of flowers in pencils, a stormy scene using watercolours, and a Tuscan terrace in oils. It presents practical and easy-to-follow text with over 475 step-by-step photographs clearly showing the creation of each picture.
