

The Impact of Recent Patent Law Cases and Developments, 2013 ed.: Leading Lawyers on Analyzing Changing Standards, Reviewing New Case Law, and Updating Client Strategies (Inside the Minds)

The Impact of Recent Patent Law Cases and Developments provides an authoritative, insiders perspective on key tips for staying up-to-date on recent changes in patent law. Featuring experienced partners from law firms across the nation, these experts guide the reader through key processes, including challenging patent validity, drafting claims, and advancing settlements without litigation. These top lawyers offer specific advice on navigating the America Invents Act, understanding the results of Supreme Court cases, and utilizing the Federal Circuit to stay abreast of the latest issues. From analyzing key decisions to assessing invention value, these experts discuss the importance of monitoring trends, keeping informed of technological advancements, and analyzing competitor strategies. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts on the keys to success within this dynamic field. Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters include: 1. David A. Kelly, Partner, Hunton & Williams LLP - The Impact Of The America Invents Act And Recent Court Decisions On Patent Law Practitioners And Their Clients 2. Daniel M.
