

Seeking Single Male - The Personal Touch! 1 (Harlequin comics)

No decent woman would put out an ad for a boyfriend! I can't let some harlot near my little brother! In place of his brother, Greg decides to meet a woman who placed a singles ad, with the intention of turning this Coffee Girl down. But the Coffee Girl he meets is exceedingly beautiful. Why would she have put out a singles ad? And Lana, a coffee shop owner, is suddenly kissed by a man who's supposed to be applying as her potential roommate. The first of three romances revolving around magazines!
