

## Scandalous Fixation [Ebony Erotic Romance/Interracial BW/WM Billionaire Erotic Romance]

*\*Mature Audiences Only\** When you fall for a guy, it doesn't often happen on your own terms. It can hit you like a ton of bricks, but it's especially sweet when it's forbidden fruit. At least that's how it was for Pamela and Jessica, the stars of these erotic romance stories. *Provocative Addiction*: You've heard of the Wolf of Wall Street? Meet the Vixen of Wall Street. Pamela is a young Wall Street broker with a voracious appetite for the finer things in life, and the work ethic to go after them. She's used to spitting men up and chewing them out and lives by the three Fs: Find them, F--- them and Forget them. One night, her latest boy toy takes exception to Pam's treatment of him, and it hits her to her core, making her question not only her sex and romantic life, but where life is headed for her. Sure, yacht parties, \$10,000 bar tabs and trips to Paris and Vegas were what dreams are made of, but what else is there? More importantly, what can really make Pam happy? She books a flight to sunny Jamaica to look for that answer, and is intrigued when she meets Charles, a brown-skinned, sexy hunk with a smile made of stars, cheekbones that looked like they were chiseled by an artist and muscles that were to die for. But what catches Pam off guard is his heart. He shares his dreams with her, and before she knows it, Pam is hooked. For the first time in years, she's blushing, tripping over herself and nervous to be in the presence of a man, and it brings back the good old days of high school crushes and genuinely liking a guy. Can she put aside her she-wolf ways to hook in this handsome black man who seems to have everything going for him? What will she find out about herself in the process? *To Catch a Dangerous Man*: You can call her Jessica Hill, because if she told you her real name, she'd have to kill you. Jessica is an undercover operative whose life and career is turned upside down when her superiors learn that

she had been involved in a romantic relationship with Colin, one of her training officers. Since their work is top secret clearance to the highest degree, they both face termination and prison time for their indiscretions. Jessica gets a second chance, as long as she comes up big on her next mission, in which she must shadow and infiltrate the operation of Nikolai Turov, a Russian billionaire that the United States government wants information on. If she gets close to Nikolai and comes home with incriminating information, she'll keep her career and avoid serious prison time. Meanwhile, she's agreed to cut all contact with Colin, who to her knowledge, has been reassigned, imprisoned or terminated from the organization. While mending her broken heart and focusing on her new mission in Russia, Jessica quickly falls into the good graces of Nikolai, who has an affinity for beautiful black women. He also is going through pain and hardship in the game of life and love similar to Jessica, blurring the lines of secret identity, professionalism, love and lust. Can this beautiful spy find the answers she needs about her place in life, while making sense of love, past and present?
