

Juvenile Delinquency (2nd Edition) (The Justice Series)

Brief. Affordable. Visual. Juvenile Delinquency provides an affordable, thought-provoking look at the criminal justice system that uses clear writing and eye-catching visuals to get your students straight to the important concepts. The emphasis is on delinquency across the life course. By focusing on the core concepts, students will gain true understanding of the material, without becoming overwhelmed with unnecessary information. The books conversation-starting pedagogy encourages active participation in learning, moving students beyond memorization by engaging them in the latest research findings and current events shaping the field. The new edition features new, updated, or expanded information on the juvenile justice system, treatment, the role of gender in delinquency, and the critical nature of cyberbullying and school discipline.
