

Vienna Travel Guide: Travel Diary

Revised and edited in March 2015. This book tells the story of our experience after a 6-day travel to Vienna during Christmas, in a more comfortable reading format for Kindle and smartphones. Here you'll find some useful tips if you're planning to go to Vienna, or if you're just about to go there, the points of interest that we saw or visited, some places for eating, information about the public transport. We visited places like Schonbrunn Palace, the Stephansdom Cathedral, the Parliament of Austria, the Rathaus, the Hofburg Palace and some landmarks like Hotel Sacher or the amusement park at Prater. We also went to the New Year Concert at the Town Hall Square. Vienna is an imperial city. You can breathe culture and classical music at every corner, and the cafes are common places for meeting, reading and good food. We wish you like this guide and find it helpful.
