

TWILIGHT HUNGER 1 (Harlequin comics)

The world turns its back on Morgan when her director father and Hollywood starlet mother die in a car crash. She seeks refuge in a oceanfront mansion to recover, and continues working toward her dream as a screenwriter until one day, she finds a stack of old diaries. Shes entranced by their author, a young man named Dante, and his mysterious and beautiful adventures. Using his words as inspiration, she turns his stories into a screenplay, and slowly begins to truly feel his presence in the house, until one night, he seems to appear...?
