

One! Hundred! Demons!

Lynda Barrys beloved, genre-defying work of autofictionalography *One! Hundred! Demons!* exploded the comic book medium, ending up on Best Of lists from Time Magazine and the Chicago Tribune. In these seventeen vignettes that touch on the scent of peoples homes, why babies are the best dancers, and how pretentious exboyfriends are like head lice, Barry brings her demons out to be exorcised. Described as brutally honest, thoughtful and soulful by Nick Hornby in the New York Times, *One! Hundred! Demons!* takes on Barrys childhood with humor and poignancy.
