

Angel U: Let There Be Light

Satan has long hated humankind. Were it up to him, he would exterminate every last soul. Instead, he is forced to wage an eternal chess game, knowing that once he is put in checkmate, he will surely die. Tyler Brighton can see and talk to Angels. They have shown an interest in him since he was young. When the Angels establish Seraphim University, they call on Tyler to help. Mortal against immortal. Hell spawn against humans. Darkness against light.
