

Hidden Places of Dorset & Hampshire & the Isle of Wight

This is the 5th edition of Hidden Places titles exploring Dorset and Hampshire, two counties which are blessed with an impressive coastline and beautiful countryside. Dorset is a county that encompasses rolling chalk downs, dark heathland (so beloved of Thomas Hardy), the long ridge of the Purbeck Hills and an incomparable coastline with its wealth of magnificent rock formations sculptured by the sea. Hampshire and the Isle of Wight offer the visitor a wonderful combination of seafaring tradition in the many coastal towns and villages as well as wonderful countryside epitomized by the New Forest and the rolling hills of northeast Hampshire. Both counties are a haven for hidden places and the book provides the reader with plenty of interesting historical facts. It is packed with information on the more secluded and little known venues for food, accommodation and places of interest as well as the more enduring attractions of the region. The previous edition has had very favorable reviews from readers - The book is a marvelous companion for me as I explore the beautiful county of Dorset - a reader from Poole. This book is very helpful and interesting - a reader from Southampton. The attractive cover design incorporates photographs of Lulworth Cove in Dorset, Brightstone, Isle of Wight and Rockbourne, Hampshire.
